Is Proud to Present:

Aging In Place

Helping Seniors Stay at Home

Facing the challenges of caring for an aging loved one can feel overwhelming. Often, family members are thrust into unfamiliar roles of caregiving, financial decision making, and providing oversight in their family members personal affairs. While these change of life situations can be stressful and emotional. Having an action plan and knowing where to look for help is key to navigating aging in place.

Join us as we discuss valuable information about services and options to help you or your loved one remain in their home as they age. Our experts will share personal experiences of managing in home care for loved ones, while providing valuable information on topics such as health and nutrition, medication management, home safety, and financial options.
