Public Notice

Storm Impact on Grosse Pointe Park August 28 & 29, 2017

GROSSE POINTE PARK, MI, - The Metro Detroit region experienced a significant amount of rain on Monday, August 28 and Tuesday, August 29, 2017. Grosse Pointe Park received a total of 3.7" inches on Monday and 2.3" inches on Tuesday. At approximately the timeframe of 7:15PM-8:15PM Monday, August 28 our Jefferson pump station recorded 2.51" inches of rain which equates to a 100-year storm event.

Within a 24-hour time period on Monday and Tuesday Grosse Pointe Park received 6" inches of rain. The pump station operated without interruption or delays throughout the entire storm. To compare, Detroit City Airport received 1.65" inches.

Individual homes experienced water in their basements within the City. It is advised residents should disconnect any downspouts connected to the system.

If you have questions on your downspout please call or email the Department of Public Works at 313-822-5100 or publicworks@grossepointepark.org.
